THE ASSOCIATED

The Associated Student Body represents the student body as an organized unit and each student is a member of this organization. Its purpose is to provide the students with the most democratic form of student government so as to promote closer cooperation of the student body and faculty and to satisfy the needs of each as individuals and a unified group.

The three branches of government—executive, judicial, legislative—give every student the opportunity to offer suggestions as to the best ways of accomplishing these aims.

The Raiders made rapid progress in their first year with the new variation of the "T" formation called the split-T. In their second year under Coach Murphy, the men of the Blue and White had a record of 5 wins and 5 losses. The captains of the 1947 squad were Angelo Varallo and Bill Nesbitt.

The MTSC gridders started the season with a winning streak of four games before running into troubled waters. After defeating a highly favored Arkansas State team 14-7, the Raiders ran into bad luck, and lost the next four before triumphing over the Cumberland Bulldogs. They gained revenge for the ruination of a perfect season last year by defeating Maryville College 13-12. In the Homecoming game the Murphymen lost to a strong Murray College eleven by the score of 26-13, and in the Turkey Day tilt lost to their old rivals Tennessee Tech 32-7.

Captain Varallo was named the most valuable member of the squad and guard Jack Yearwood was named to the All-Volunteer State Athletic Conference team.

With one year of experience of the next method of play under their belts the Raiders crystal ball predicts a more prosperous season next year.
